Obituary. *Lancet*, Lond., 1895, i, 125.

Johnson (Edward). Results of hydropathy; or, constipation not a disease of the bowels; indigestion not a disease of the stomach; with an exposition of the true nature and cause of these ailments, explaining the reason why they are so certainly cured by the hydropathic treatment. To this are added, cases cured at Stanstead Bury House, with observations on the treatment generally. vii (1 l.), 181 pp. 8°. New York, J. Wiley, 1849.

— Life, health, and disease. xii, 13-172 pp. 12°. New York, J. Wiley, 1850.

— The theory and principles of hydropathy shown to be in strict accordance with the most recent discoveries of science, as it relates to both healthy and morbid animal life. xvi, 17-255 pp., 1 pl. 16°. London, Simpkin, Marshall & Co., 1851.

— The same. vii, 181 pp. 8°. New York, Fowler & Wells, 1854.

Jorden (Edward) [1569-1632]. A briefe discourse of a disease called the suffocation of the mother. Written upon occasion which hath bene of late taken thereby, to suspect possession of an evill spirit, or some such like supernaturall power. Wherein is declared that divers strange actions and passions of the body of man, which in the common opinion are imputed to the divell, have their true naturall causes, and do accompanie this disease. 3 p. l., 25 ff. sm. 4°. London, printed by J. Windet, 1603.

— A discourse of naturall bathes and minerrall waters, wherein first the originall of fontaines in generall is declared, then the nature and differences of minerrals, with examples of particular bathes from most of them; next the generation of minerrals in the earth, from whence both the actuell heat of bathes and their vertues are proved to proceed; also by what meanes minerrall waters are to bee examined and discovered, and lastly of the nature and uses of bathes, but especially of our bathes at Bathe in Summersetshire. 2. ed. 6 p. l., 142 pp. 12°. London, T. Harper, 1632.

— Three successful cases of cerebral surgery, including (1) the removal of a large intra-cranial fibroma; (2) excision of damaged brain tissue; and (3) excision of the cerebral centre for the left hand; with remarks on the general technique of such operation. 43 pp. 8°. Philadelphia, 1888.

Repr. from: Am. J. M. Sc., Phila., 1888, n. s., xvi.

— Deformity from prominent ears cured by a new method of operating. 4 pp., 1 pl. 8°. Philadelphia, W. J. Dornan, 1889.

Repr. from: Proc. Phila. Co. M. Soc., Phila., 1889, x.

— Dupuytren's finger contraction; operation by removal of the contracting band by open wound; immediate cure without reaction or pain. 5 pp. 8°. Philadelphia, W. J. Dornan, 1889.

Repr. from: Proc. Phila. Co. M. Soc., Phila., 1889, x.

— Craniectomy for microcephalus; the later history of a case of excision of the hand-centre for epilepsy. 10 pp. 12°. [Philadelphia, 1890.]

Repr. from: Med. News, Phila., 1890, lvii.

— Intra-cranial lesions. 27 pp. 8°. Concord, N. H., Republican Press Assoc., 1890.

Repr. from: Tr. N. York M. Ass., 1890, vii.

— Nephrorrhaphy. 35 pp. 8°. [St. Louis, 1890.]

Repr. from: Ann. Surg., St. Louis, 1890, xii.

— The new era in medicine and its demands upon the profession and the college. 28 pp. 12°. Philadelphia, 1890.

Repr. from: Times & Reg., Phila., 1890, xxi.

— Two suggestions in surgical technique. I. A new method of compressing the subclavian artery. II. A new method of ascertaining whether the bladder is or is not ruptured. 6 pp. 8°. Philadelphia, W. J. Dornan, 1890.

Repr. from: Proc. Phila. Co. M. Soc., Phila., 1890, xi.

Keen (William W[illiams])—continued.

— Five cases of suprapubic cystotomy; three for stone, one for tumor in the bladder, and one for exploration with catheterism of the ureters; one death. 23 pp. 12°. [Philadelphia, 1891.]

Repr. from: Med. News, Phila., 1891, lviii.

— Four congenital tumors of the head and spine, all submitted to operation. I. Meningocele. II. Cervical spina bifida. III. Sacral spina bifida. IV. A tumor of the post-anal gut, in connection with a dermoid cyst. 14 pp. 8°. [Philadelphia, 1891.]

Repr. from: Internat. Clin., Phila., 1891, iii.

— Four operations for appendicitis; three recoveries, one death from a very small concealed abscess. 6 pp. 8°. [Philadelphia, 1891.]

Repr. from: Proc. Phila. Co. M. Soc., Phila., 1891, xii.

— A further communication on a new method of compressing the subclavian artery, with the report of two cases. 3 pp. 8°. Philadelphia, 1891.

Repr. from: Proc. Phila. Co. M. Soc., Phila., 1891, xii.

— The indications for early laparotomy in appendicitis. 8 pp. 8°. Philadelphia, W. J. Dornan, 1891.

Repr. from: Tr. M. Soc. N. Y., Phila., 1891.

— The same. 9 pp. 8°. [St. Louis, 1891.]

Repr. from: Ann. Surg., St. Louis, 1891, xiii.

— Linear craniotomy (miscalled cranioectomy) for microcephalus. 7 pp. 8°. Philadelphia, Lea Bros. & Co., 1891.

Repr. from: Am. J. M. Sc., Phila., 1891, n. s., ci.

— A new method of tenotomy, by which the tendons are lengthened to a definite extent, instead of the present hap-hazard method. 5 pp. 8°. [Philadelphia, 1891.]

Repr. from: Tr. Coll. Phys. Phila., 1891, 3. s., xiii.

— A new operation for spasmodic wry-neck. Namely, division or excision of the nerves supplying the posterior rotator muscles of the head. 4 pp. 8°. [St. Louis, 1891.]

Repr. from: Ann. Surg., St. Louis, 1891, xiii.

— The organization of an operation. 12 pp. 8°. [Philadelphia, 1891.]

Repr. from: Am. J. M. Sc., Phila., 1891, ci.

— Amputation at the hip-joint by Wyeth's method, the patient being 5 months pregnant. 13 pp. 12°. [Philadelphia, Lea Bros. & Co., 1892.]

Repr. from: Med. News, Phila., 1892, lx.

— Arterio-venous aneurism of the common carotid artery and internal jugular veins; double ligature of both vessels; recovery. 5 pp. 8°. [Philadelphia, 1892.]

Repr. from: Am. J. M. Sc., Phila., 1892, n. s., ciii.

— Resection of the liver. 5 pp., 1 pl., 1 tab. roy. 8°. [Boston, 1892.]

Repr. from: Boston M. & S. J., 1892, cxxvi.

— Two cases of hernia, both treated by laparotomy. I. A peritoneal hernia. II. A femoral Littre's hernia. 3 pp. 8°. [Philadelphia, 1892.]

Repr. from: Internat. M. Mag., Phila., 1892-3, i.

— Umbilical hernia; operation; cure. Ligament of femoral artery for popliteal aneurism; cure. Fecal fistula caused by appendicitis; operation; cure. 13 pp. 12°. [Philadelphia, Lea Bros. & Co., 1892.]

Repr. from: Med. News, Phila., 1892, lxi.

— Case of cancer of the hepatic flexure of the colon producing intestinal obstruction; temporary relief by an artificial anus; later re-establishment of the continuity of the bowel by ileocolostomy by means of Murphy's button. 15 pp. 8°. Philadelphia, 1893.

Repr. from: Ann. Surg., Phila., 1893, xvii.

— A case of suprapubic cystotomy in which the bladder was distended with air instead of

Keen (William W[illiams])—continued.

water, and four hundred and ninety-five calculi removed. 5 pp. 8°. [*Atlanta, Franklin Print. & Publ. Co.*, 1893.]

Repr. from: *J. Surg. Gynec. & Obst.*, Atlanta, 1893, 1.

— Laparotomy for apparent intestinal paralysis which caused arrest of the intestinal contents, and was equivalent to intestinal obstruction. 6 pp. 8°. *Kansas City*, 1893.

Repr. from: *Kansas City M. Index*, 1893, x.

— Medicine as a career for educated men. The commencement address at Lafayette College, June 13, 1893. 19 pp. 8°. *Easton, Pa.*, [1893].

Kenyon (Job) [1821-89].

Obituary. Tr. Rhode Island M. Soc. 1889-91, Providence, 1890-92, iv, 96-101, port.

K'eogh (John). A short treatise of the diagnostic and prognostic parts of medicine; the former shewing how, by the symptoms or signs appearing, you may know a distemper, the latter giving an account by the symptoms how it will end, whether in life or death.

In his: *Zoologia medicinalis hibernica*, [etc.]. 8°. *Dublin*, 1739, 105-167.

Keokuk.

See **Hospitals** (Description, etc., of), by localities.

Keokuk. *Board of Health.* Annual reports to the mayor and city council. 1-6., 1886-7 to 1891-2. 8°. *Keokuk*, 1887-92.

Keokuk Medical College, Iowa. Annual announcements for the sessions of 1890-91 to 1893-4 (1.-4.); 1895-6 to 1898-9 (6.-9.). 8° & 12°. *Keokuk*, 1890-98.

Organized 1890. In 1899 the College of Physicians and Surgeons, Keokuk, united with this school under the following title: Keokuk Medical College, College of Physicians and Surgeons, Keokuk, which see, for continuation.

Keokuk Medical College, College of Physicians and Surgeons, Keokuk. Annual announcements for the sessions of 1899-1900 (59.); 1902-3 (62.). 8° & 12°. *Keokuk*, 1899-1902.

The title of this school is formed by the union of the two medical schools located at Keokuk, viz: The Keokuk Medical College, established in 1890, and the College of Physicians and Surgeons, established in 1849, under the title: College of Physicians and Surgeons of the Upper Mississippi, at Davenport. The numbering of the announcements dates from 1849, including the eight summer sessions held in 1863-5 and 1873-7, which makes the session of 1899-1900 the fifty-ninth. The announcement for 1902-3, contains a list of the alumni of the Keokuk Medical College, from 1891 to 1899; the alumni of the College of Physicians and Surgeons from its organization in 1849, and the alumni of the united school from 1900 to 1902.
